

CAKES AND SINGLE IGNITION

Cakes are what make up most displays. They're great value for money, easy to setup and come in an amazingly wide range of effects.

BONFIRE BASH

An impressive 16 shot roman candle cake, alternating comet tails, glitter bursts and a finale of white flitter mines with a titanium crackle

NOMAD

An awesome aerial display, packs a punch and impresses with gold tail leading to fabulous gold palm bursts with multicoloured stars

MAGNETO

An impressive 16 shot roman candle cake, alternating comet tails, glitter bursts and a finale of white flitter mines with a titanium crackle

£29.99

(RRP - 39.99)

WATCH VIDEO

PHOENIX

RECOMMENDED

A fast paced cake including fanned effects and colours. A beautiful brocade of bursts are the start of the show. The finale is just as impressive with giant gold palms and blue stars filling the sky.

30 sec

8m

HIGH

WIZARDRY

A multi-effect, z-firing fan cake.

This little beauty produces bursts of starbursts to glitter. A volley of red and then green tiger tail comets rise amongst chrysanthemum bouquet mines and red wave to crackle. A blast of whistles precedes a sky sweeping of gold brocades before a double volley of multi-coloured peony bursts, the latter with a sky full of crackling flowers.

You could say this cake was pure wizardry!
